1977 MIRROR Dedication

Mrs. Alisca Czarnowski was born in Lincoln, Massachusetts and attended Waltham High School as a commuter from Lincoln.

During her student years at the high school, she participated in girls' basketball, averaging 40 points per game, and was voted the best woman athlete in 50 years.

After graduating from high school, she continued her studies at Boston University. Her education did not stop there, however. She is still taking courses now at Northeastern University in pursuit of her Master's Degree.

For 9 years, Mrs. Czarnowski taught English at the high school. She then was appointed to a high administrative position as housemaster. Her hours often extend from 5:30 a.m. to 9:30 p.m. in the service of our class. Aside from her official duties, she has been involved in several drama productions assisting with choreography, costuming, and other vital tasks.

Kahlil Gibran, the author of THE PROPHET, states, "It is when you give of yourself that you truly give." We feel that this statement epitomizes the multi-dimensioned role Mrs. Czarnowski plays as teacher, counselor, administrator, and friend.

It is with both great pride and honor that we dedicate the 1977 MIRROR to her.

1977 MIRROR Dedication

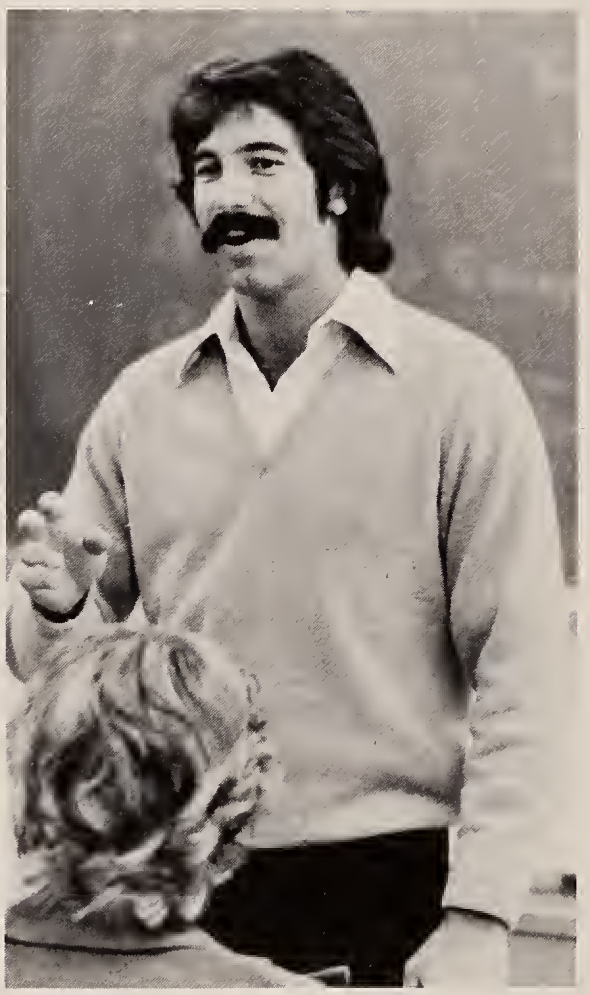
Mr. James G. McDonnell is a graduate of Waltham High School, who has been teaching here for seven years. Originally he went to the Mass College of Pharmacy, graduating in 1965 and becoming a registered pharmacist. While a senior there, he took night courses at Framingham and Boston State Colleges to obtain teaching certification. His final certification requirement, student teaching, was fulfilled in the Worcester school system. Once certified, he continued his education with graduate studies at Boston College.

He got his first teaching job at Northbridge High School. After one year at Northbridge High he taught for a year at the old North Jr. High in Waltham, and then became a math teacher at Kennedy Jr. High where he stayed for three years.

In this brief period of time, this man founded a yearbook which is still maintained, and also found an opportunity to return to a great love of his, basketball; he coached the junior high team for one year. His previous coaching background in this sport was impressive: while in college he had coached at the Waltham Boys' Club for five years, 1961-1965. During this time, his team (Mac's Farmers) won the championship for three consecutive years and qualified for the finals every year. He is still an avid basketball fan who holds season tickets to the Celtics' games.

In addition to working parttime as a pharmacist and being a loving husband, and the devoted father of two children, this man is currently involved in a myriad of activities at Waltham High. He is an excellent math teacher, very dedicated and always willing to help his students. Moreover, he has run trips for students to Bermuda and Europe for the past five years and also originated a trip to Montreal which has been an annual event for the past three years. Furthermore, he has been the yearbook advisor at Waltham High for four years, dedicating his free periods, nights, parts of his summer, and even weekends to this task. As a token of our deep gratitude and appreciation for all the time and effort that this man has given we are proud to dedicate the 1977 "Mirror" to him.

Mr. Stephen Goodwin graduated in 1968 from Boston University with a Bachelor of Arts degree in History, continued his education at Boston State College where he received his Master's degree in education in 1970. This year is his seventh year of teaching US History and Sociology at Waltham High. He is also an instructor in the Driver Education Program and has been a representative of the Waltham Educator's Association for the past two years. He enjoys life with his wife Marcia and is the proud father of three children, Stephen Jr., Amy, and Jean.



Mr. John Graceffa has been teaching Sociology and US History for the past five years at Waltham High. A Walthamite himself, he was graduated from WHS as Senior Class president in 1966 and went on to further his education at Springfield college, receiving his Master's degree of education in 1972. He also attended Boston College Law School in 1971. An excellent athlete, he coaches the Varsity Soccer Team at Waltham High. He lives with his wife Judy.

Mr. Thomas Leverone has been teaching Math for the past nine years at Waltham High. He is a graduate of Arlington High and received both his Bachelor of Science and his Master's degrees in Math from Boston College. He is a Driver Road instructor, summer school teacher, and a very fine and dedicated advisor to the National Honor Society. Under his guidance, this organization has initiated such activities as an annual Toy Drive and the Fernald School Volunteer Program. He has a wife Pat and two children, Brian and Debbie.

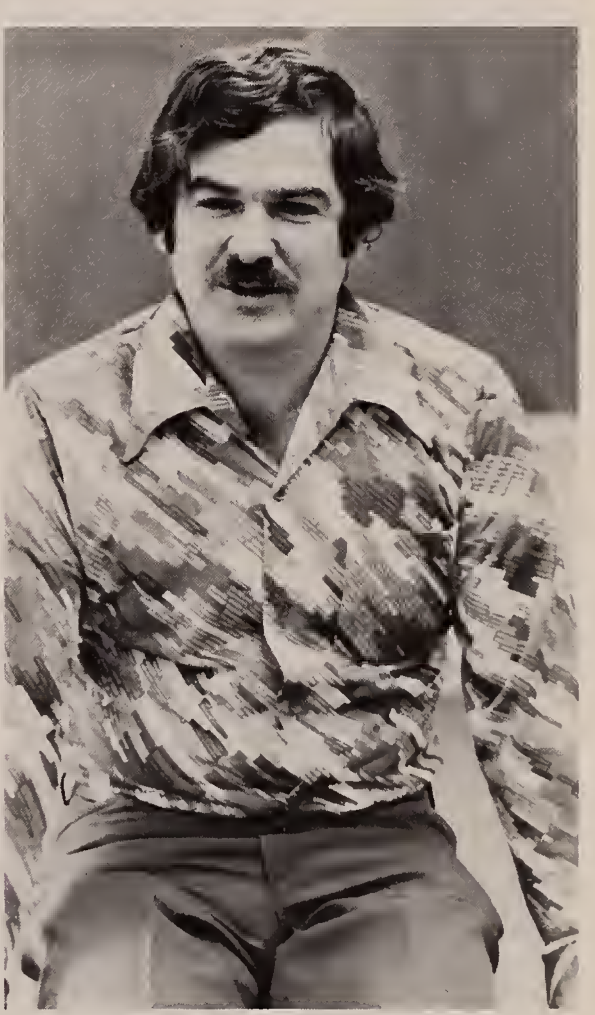
Mr. Jerry Nelson graduated from Newton High School in 1960 and received both his Bachelor of Science and Master's degrees in Science from Boston State College. His education brought him to Waltham High School nine years ago and from that time he has been teaching Physical Sciences. His homelife consists of two great children, Matthew and Dawn and a dedicated wife Cindy. Over this period of time, he has displayed concern and a very apparent understanding of the needs of his students.

Mr. Charles Rezutti has been teaching Earth Science and Physical Sciences for six years at Waltham High School. He received his diploma at Newton South High School and furthered his education at Boston State College, receiving his Bachelor of Science degree in 1971. He is married and has two wonderful children, Lisa and Lora. Through his amiable ways and overwhelming concern for his students, he receives the recognition which he justly deserves.



Mr. Harold Walker is a graduate of Newton South High School and earned his Bachelor of Arts from U. Mass Amherst and Master's degree from Boston University. He has been teaching History and Sociology at Waltham High School for nine years. Besides his classroom responsibilities, he is a Driver Road instructor and a member of the Executive Board of Teachers and the Faculty Senate. The family now enjoys the company of their child Jody and is expecting another this Fall. They are presently in the process of moving to Waltham.

The 1977 Mirror Staff

In the fine tradition of the dedication and enthusiasm of the editors of the "Mirror," and in their willingness to work above and beyond their obligation my editors, Ruth Becker and Patty Corcoran were outstanding.

Ruth was very active in school participating in Senior Revue, Bye Bye Birdie, West Side Story, and two years as a football cheerleader. In spite of this Ruth maintained a high academic standard and was elected to the National Honor Society. At Graduation Exercises she received a School Committee Key for excellence in academics, and the Milton H. and Pauline Gordon Scholarship. At Class Day she was voted "Most Likely to Succeed" by her fellow seniors. In the fall Ruth will be attending Tufts University.

Patty was active in school participating in Drama Workshops, helping backstage at many drama events including Senior Revue. She was Class Secretary in 1975 and 1976 and she served as Student Council Girls' Vice President this year. She was voted "Personality Plus" by her fellow seniors at Class Day. At Graduation Exercises Patty received over $4000 in scholarships, including one from St. Michael's College which she will attend in the fall.

It is with a note of sadness that my association with Ruth and Patty must come to an end. To them I say, "So long, but not good-bye." It was a very difficult and trying year and these two fine young ladies deserve all the credit for the success of the book. Thanks and Good Luck.

James G. McDonnell - Advisor

Co-Editors Patty Corcoran and Ruth Becker

Advisor Mr. James G. McDonnell

Business Editors Laura Cooper and Judy Mullen

To our yearbook advisor Mr. James McDonnell:

It has been a long, hard year, as you, above anyone else, should know. It is now two thirty a.m. and we have almost finished our book. We would like you to know that it was all worth it: the aggravation, the hard times, the people, the hours, etc.

After all the time we have spent working toward our common goal, you never lost your faith in us, (well not completely anyway). Moreover, when we thought we had nothing more to contribute you showed us that we really had more to give than either of us imagined. You were always ready to help us out.

The yearbook has been more than just a literary and photographic experience. It has made us more aware of others' needs and desires. Working on the book has broadened our horizons in many aspects.

We feel that every endeavor, be it a success or a failure, was a learning experience that prepared us for the world in which we are about to enter. This knowledge will be a guideline for our futures.

Patty Corcoran and Ruth Becker

Laura was a hard working and dedicated young lady. She was a Student Council Ward Rep, a member of the National Honor Society, and a participant in Senior Revue. Laura received a School Committee Key and the Class of 1968 Scholarship. Laura will be attending the University of New Hampshire in the fall.

Judy was a very talented and mature young lady. Judy was active in school as a hockey cheerleader, a member of the Crimsonettes, and Secretary of the National Honor Society. She is a very talented figure skater having participated in the Ice Chips with Olympics Gold Medalist Dorothy Hamil. She received the Plympton School PTA scholarship and will be attending Middlebury College in the fall.

It is a credit to Laura and Judy that the 1977 edition of the "Mirror" is the largest and most expensive production netting over $21,000. Their fine work and dedication was appreciated by me and I will always remember them. Thanks for everything.

James G. McDonnell - Advisor

Progression

Like a floating cloud
Time passes before us;
Out of reach,
It floats to nothingness.
Too many curse it,
They fight its passing;
They let themselves be bound
While treating time as a foe.
To others it is an ally,
For time means growth;
And growth elevates,
From ignorance to knowledge.
Working with the force of time
They use it as a guide.
Permitting themselves to float with it.
So, aging, the bane, becomes a blessed tool.

Football

Under the direction of first year coach Bob Connors, the football team pulled out a winning season with an exciting Thanksgiving Day victory over Brockton, 6-0. This game was typical of the aggressive style of play with which the team performed throughout the season.

Except for an opening day loss to Norwood, where inexperience proved to be the deciding factor, the young Hawks were in every game. Even in defeat, the persistent players demanded respect from their opponent.

Single touchdown losses to North Quincy and Newton's Super Bowl squad were among the team's most frustrating moments.

The team proved that even with limited size and experience, playing with enthusiasm and intensity, it could win.

Soccer '76-77

Soccer at Waltham High School is here to stay!! The Varsity and Junior Varsity squads enjoyed their best season ever, under the direction of coaches John Graceffa and Doug Tierney. The Hawks also made their initial appearance in the 1976 Eastern Mass. Soccer Tournament.

The talented and enthusiastic soccermen played well in the tournament, beating both St. John's of Danvers and Randolph, before losing in the semi-finals to Eastern Mass. Champion Belmont High at Boston University's Nickerson Field. The loss to the Belmont club was typical of the Hawk's confidence and desire throughout the entire season because each player dug deep to produce a fine brand of soccer against their more experienced opponent.

The Hawk's were led by Senior Co-Captains, John Maguire and Sal Barba. Barba, along with Junior Sal Distefano, were named to the Suburban League first team all-star squad, while Dan Tarullo and Sophomore Joe Distefano, were awarded second team honors. However, the Hawks' success did not lie just with those individual players, but rather with the dedication and contributions of the entire squad.

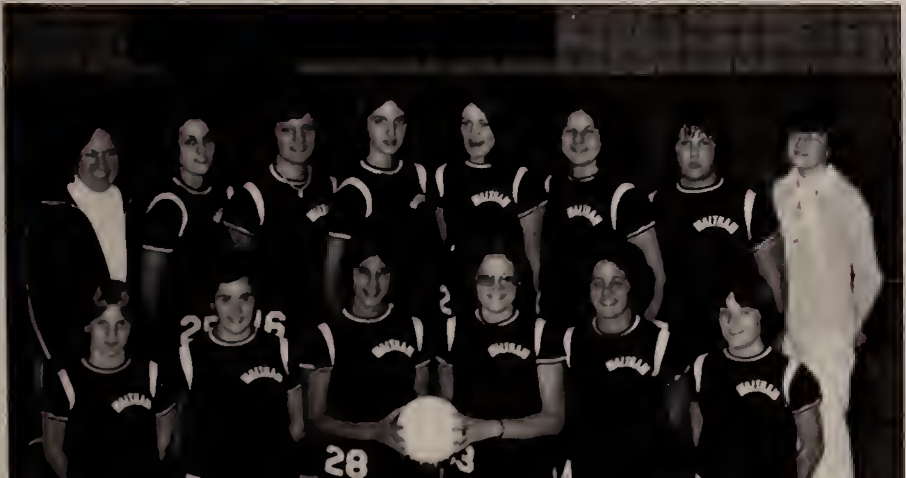
Volleyball '76-'77

This year, Varsity volleyball at Waltham High experienced its most successful season ever. The team finished regular season play with a 15-1 record, which gave them the title of Suburban League Champions, and also qualified them for the Mass. State Tournament. The team continued its fine play into the preliminaries of the State Tournament, winning twelve games, undefeated, to make them the North Sectional Champions. Going into the final day of play in Brockton, the Waltham team was top-seeded, and advanced to the semi-final round before losing to Cambridge Latin, the eventual champions.

These past two years have seen the exact same varsity team representing Waltham High. A lot of hard work went into achieving the high level of skill the team had reached. It was truly a team effort with each member contributing equally and coming through when needed. However, none of the success enjoyed by this team could have been accomplished without the fine coaching and leadership of Coach Helen Castros, who put it all together.

"Thanks for everything, Miss Castros, you're the greatest and we'll never forget you."



Coach Mulligan, Joyce Harrington, Karen Neff, Claudia Canepari, Barbara Schroeder, Linda Valdanbrini, Gail Casavant, Diane Burley, Laini Schoener, Carolyn Medeiros, Co-Captain Fran Smerlas, Co-Captain Ginette Arsenault, Sue Corkery, Joanne Doherty.

This year the girls tripled in number from last year's 11. Surely, this was part of the reason for their success. All but 2 of the past High School records were broken by this year's girls. Janice Casella and Janet Doherty were elected to the Suburban League All-Star Team. The Juniors and Sophomores, under the coaching of Mr. McDonald, look forward to a great season next year!

The Girl's Varsity field hockey team completed a successful season with an overall record of 7 wins, 6 losses, and 1 tie. Aided by Co-Captain Jane Kelley's season total of seven goals and Junior Cheryl Learned's six goals, Waltham beat such teams as Brookline and Cambridge Latin both of whom went on to the State Tournament.

Outstanding defense work was turned in constantly by Junior center halfback, Jane Olivo and co-captain Lynn Campana, the team's Most Valuable Player. The heart of the defense however, was first year goalie Patty Nix who posted six shutouts in 14 games and allowed only 13 goals all season.

Carrying on the tradition of the Waltham High ski team, this year's skiers finished with an 11 and 1 record. With the help of the girls' first place finish, the team placed third in the annual Eastern Mass. Invitational at Bradford Hill. The team's success is due to Seniors Beth Shinnick, Ted Ohnemus, and Tim Sharkey.

The future of the Waltham High ski team is bright with several promising underclassmen among next year's skiers.

Wrestling

After only seven years of the program's existence, Coach John Passarini led our wrestlers to sole possession of the Suburban League title and District Championship. Passarini's hard work and dedication of the past had finally paid off with the return of experienced Varsity wrestlers, who were introduced to the sport at an early age. There were many highlights during the season. But the most memorable one was the night the grapplers captured the Suburban League title in an exciting match against Quincy. We hope the success enjoyed by this year's team will be an example for future teams to follow.

This year's Girls' Varsity Basketball team, under the first year coaching of Christine Molonea, finished with a record of 10-7. Starting off with a 4-0 record it seemed like a promising year for the team. However, injuries plagued the team for the remainder of the season. Losing only 4 graduating players, continued success is expected next year for both the varsity and junior varsity teams.

The 1976-77 Varsity Basketball team had a tremendous season under the direction of Coach Len Sorin. People had doubts about the team's success because none of the players had any previous varsity experience. However, this theory was shattered by the team's tremendous record of 15-5 and a third place finish in the Suburban League.

Gymnastics

The Gymnastics team peaked this year with their first winning season, and managed to compile a record of 6-3. This sport has been in existence only 5 years and this year has been the most successful. The team was paced by Tina Mirabile, Kim Foskin, and Dotty Pappas. The capable leadership of Coach Maria Lana Georges and Assistant Coach Larry White helped boost the girls to this victorious season.

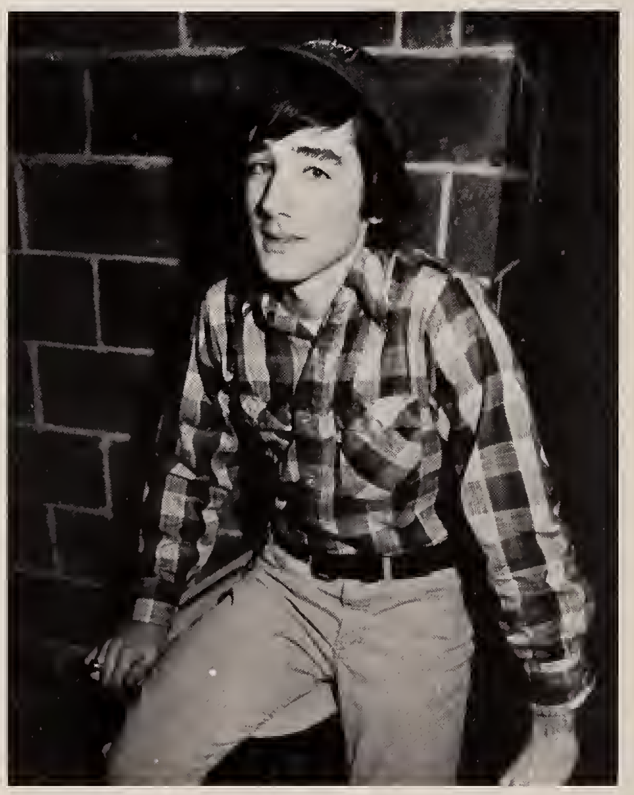
Vincent Beaudoin, Captain Dan McKinnon, Kevin Ayotte. The rest of the team members include: John Harrington, Mark Eagen, Luay Ashoo, Tim Bowley, Rick Montasanti, Gregg DeMeo, John Maillet, John Mason, Peter Brennan. Coach Don Dunlop.



Under first year coach Don Dunlop, the Hawks continued their winning tradition. Led by Seniors Dan McKinnon, Vin Beaudoin, and Kevin Ayotte, the team compiled a 5-3 record that included an upset victory over first place Bedford. With just three members graduating, next year's team, captained by John Harrington, should be a contender for the title.

The girl's indoor track team finished its initial season as a varsity team with a losing 3-5 record. Despite this, the girls' season has to be considered a successful one due to the many achievements of the team as a whole. They set 13 school records and 4 Suburban League records while qualifying 11 girls for the League Championships and 10 girls for the State Meet.

In Championship award meets the girls accumulated 30 ribbons and 13 medals. They progressed tremendously by the termination of the season. In fact, they were the only team from the Suburban League to be invited to both the Lexington and North Shore Invitationals, in which they finished 2nd and 3rd respectively.

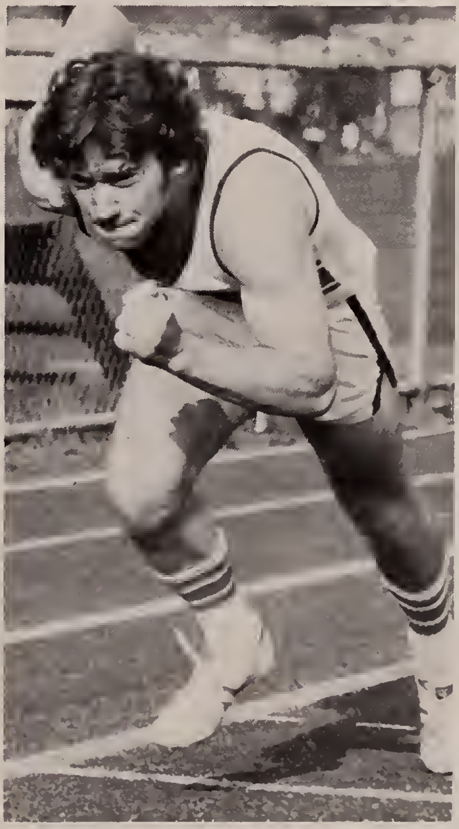
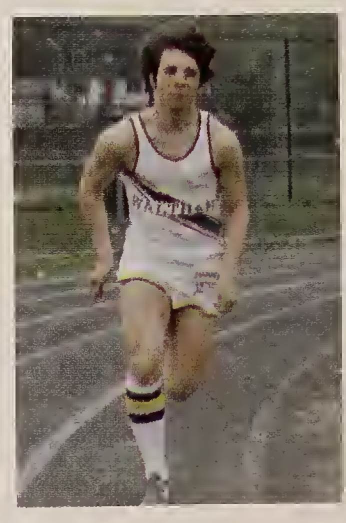
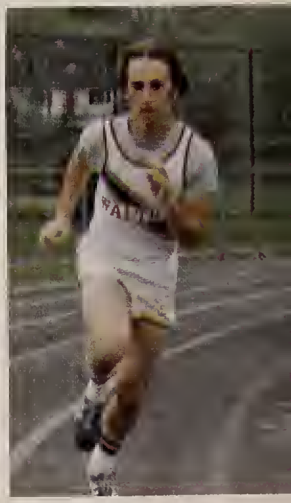
Boys' Track

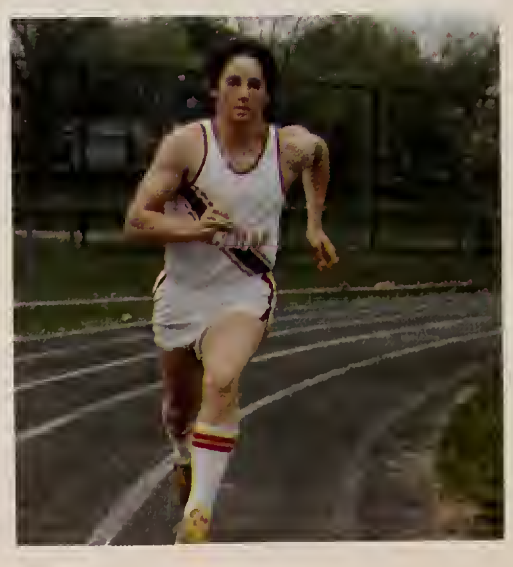
Despite a disappointing record of 1-8, the boys' track team did well in capturing seven places in the All-Suburban League Championship Meet. The squad progressed greatly throughout the season, during several close meets the team was barely edged out for a win.

The team is looking forward to a larger more experienced group next year, but can be proud of its accomplishments.

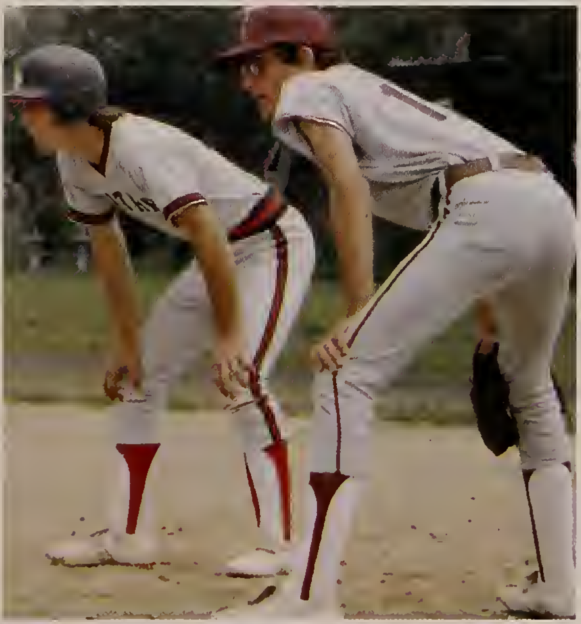








Baseball



The Waltham Hawks wrapped up the sea
son with an 11-10 record, 10-8 in the Subur
ban League. Pitcher Dave Valdabrin
showed personal stamina with a 6-1 recor
and John Giusti's batting excellence wa
highlighted by a .372 batting average.

The season ended with a stunning victor
over Newton North, to knock them out of th
league championship with Brockton.

Five returning veterans from 1976 helpe
to make this season a great one, and we'r
looking forward to next year with eleve
experienced underclassmen returning.

Girls' Softball

A very hopeful season was the outlook for this year's varsity softball team, but a much improved Suburban league dwindled chances of a tournament berth for the girls. The 10-8 record posted by the team did not really reflect the potential this team had. Five of the eight losses suffered by the Hawks were by a one run margin. Determination and good team play in the final week of the season paid off, as the girls spoiled two Suburban League teams' chances of making the tourney. This year's J.V. team experienced a very successful season, and two teams of good quality are expected next year.

SENIORS: Pam Penton, Kathy Corliss, Amy Saulnier, Coach Nina Skavinsky, Lynn Campana, Carol Latorre, Laraine Bogosian, Paula Allia.

Junior Prom

Friday, April 29, 1977 was a cool, hazy, moonlit evening. The absence of stars in the sky was due mainly to the abundance of stars in the eys of the Junior Prom couples.

The Junior Prom was held at the Hillcrest in Waltham at 7:00, music was provided by the Damian Trio and Peach and White were chosen as the colors of the Junior Class.

Health Careers

HEALTH CAREER PROGRAM

Weekly assignments to Maristhill Nursing Home, Waltham Hospital, Middlesex County Hosp. and Fernald's Thom Hospital give the students the opportunity to perfect the patient-care they practiced in the school laboratory.

Cooperative Office Occupations

Cooperative training programs originated at the University of Cincinnati in 1906. In its early stages at the high school level, the cooperative program was limited to training workers for industry. One of the earliest programs in cooperative training in business education at the high school level was established in 1926 at Wilmington, Delaware. This program has been in continuous operation to date.

Under normal economic conditions, a program of cooperative office education has advantages for the school, for the student and for business.

SCHOOL - It provides an opportunity to broaden offerings and to accomplish better the stated objectives and philosophy.

STUDENT - An opportunity to achieve improvement of skills and to participate in a program that is tailored to their interests and plans for their future.

BUSINESS - Through this program business creates for themselves a pool of highly-trained future employees with each graduating class.

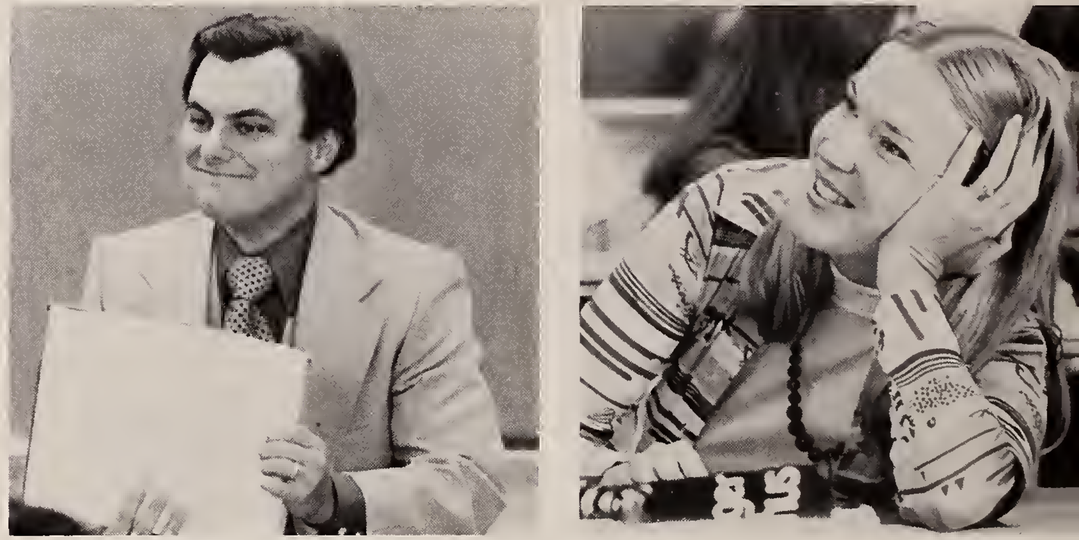
The Faculty And Administration

I don't know, she's been like that ever since we told her everyone did their homework.

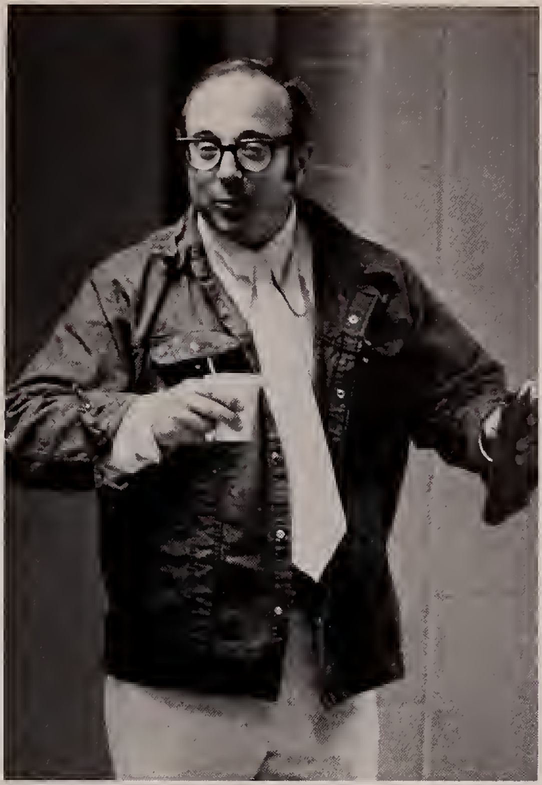


My husband is so smart he even knows how to open a book. That's my Eddie!

May I have this dance?

Help! A student is biting my foot.

I told you not to look at Medusa.



Wow! I think someone put something into this coffee.

Oh, Mrs. Czarnowski, hello, I was just seeing how much money you had in your pocket book.

Class, quick, quick, may I go to the sanitary?

. . . and with these gloves I'll leave no fingerprints, they'll never suspect me . . .

O.K. Butch, get up against the wall.

I'm just a little birdie who tweets and flies everywhere.

The National Honor Society

The National Honor Society is a national high school organization which gives recognition to outstanding students on the basis of character, scholarship, leadership, and service. This organization founded in 1921, has been sponsored through the years by the National Association of Secondary School Principals.

This year the Waltham Chapter of the NHS was comprised of a group of sixty-three students. The majority of the members were formally inducted into the society on May 26, 1977.

The National Honor Society undertook many worthwhile projects inside and outside of school and its community. The group sponsored a Coffee Wagon during night school and a Bake Sale as part of their Fundraising Activities. The most yielding of these activities was the sale of Bargain Boxes to high school students. This year's group sponsored the third Annual Toy Drive for the underprivileged of Waltham. Th members distributed toys and craf to the Roberto Clemente Center Goodwill, and Fernald School i Waltham and also a large amount t the New England Home for Littl Wanderers.

The most satisfying activity wa the Fernald School Volunteer Pro gram. A group comprised of mem bers and non-members worked wit residents from Dolan Hall. Ever other week the volunteers either ha a seasonal party, movies, games or some other worthwhile activit planned. The final function wit the Fernald School was a day-lon trip to the Stoneham Zoo.

Stephen DeVincent, President; Richard Dube, Vice-President; Judy Mullen, Secretary; Mr. Thomas Leverone, Faculty Advisor; Greg Salvucci, Treasurer.

Induction Ceremonies

The Honor Society At The Ice Capades

On December 29, 1976 the members of the National Honor Society brought foster children and orphans from the Nazareth Home in Jamaica Plain to view the Ice Capades at Boston Garden. The children ranged in ages from eight to twelve. Led by faculty advisor, Mr. Thomas Leverone, the group made their way through blizzard conditions to view the spectacular performances by Dorothy Hamill and other skating professionals.

The "Top Of The Morning Show"

TOP OF THE
MORNING

In today's mass media culture, Waltham High School has kept pace with technology. In 1977, the Television Center, under the direction of William Lawler offered a new concept in daily bulletins.

TOP OF THE MORNING, co-anchored by John Kelly and Karen Aldred was presented live each morning and brought, via television, into the hearts and homerooms of hundreds of students.

The Chess Team

The chess team finished first in the Middlesex League for the fourth year in a row, losing only one regular season match. The team's league record for 1973-1977 is 35-2-2. In post season play, the team won the Northeast Mass 5-man Regionals and the 5-man Invitational Tournament at Austin Prep.

First board was junior Mark Goodwin, with senior captain Doug Lee second. Sophomore John Bourgeois and juniors Eric Patriquin and Joe Arena filled out the team. Advisors were Mr. George Viens and Mr. William F. Young of the math department.

Dylan's fine, but do you know ''Melancholy Bébé''?

APRIL IN PARIS . . .
Miss Andreassian and 9 WHS students went to Paris for 9 days in April. Celia, can I read your magazines? ''Let's shortchange John's bed again?'' Tom and Doreen are on the roof?! Mary, Hanna, Lois - time for Chuck's ANGEL'S PICTURES! But Irene wasn't always asleep. 4:00 - Time for Annemarie's short jokes and Hanna's concave jokes!

Paris is for lovers!

Anchors away!

"A lot of people come into the Army to find themselves. They want experience and an education. The Army offers both."

"Basically all learning revolves around people. You learn with them and from them. In the Army you meet people from very different backgrounds than your own. People from big cities, and small country towns. The Army is a good place to continue your education, because it's a good place to share ideas."

Reggie Horne is a soldier at Fort Lewis, Washington. He's also a student in Psychology.

"Starting college in the Army is a special challenge because of the extra demands on your stamina and time. But for me, the idea of being on my own, getting my education on my own, and feeling myself change in ways that I like — that was pretty exciting."

If you enlist in today's Army, you can start college or vocational-technical school at the same time. Through Project AHEAD. With the Army paying up to 75% of your tuition and fees for approved courses.

"An education gives you confidence. And once that feeling is yours, nobody can take it away. It's yours for life."

9th Infantry Division
Fort Lewis, Washington

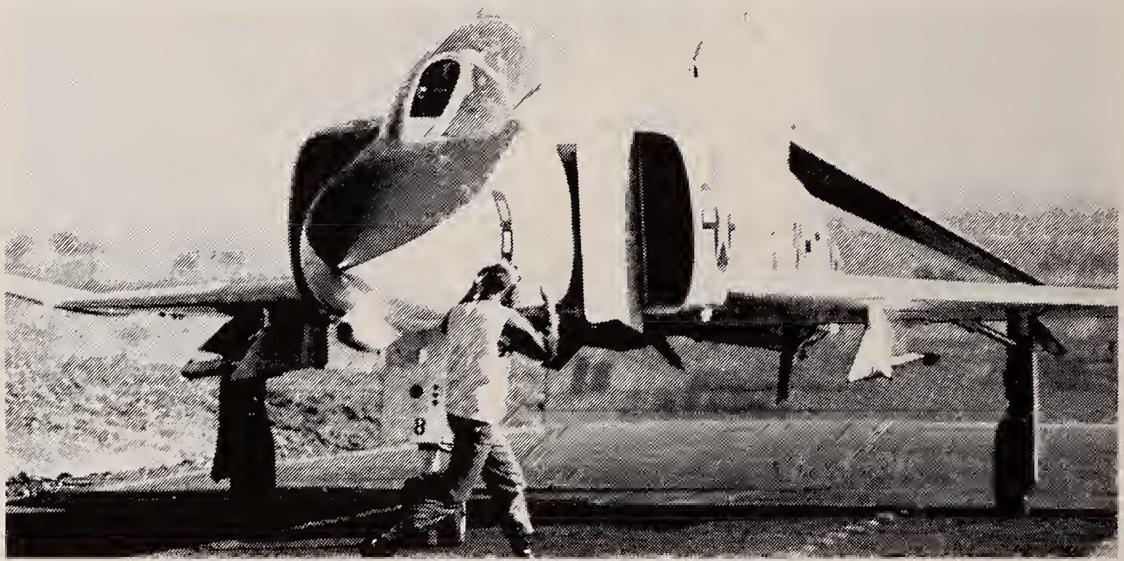
The smart way for a high school senior to join the Marines.

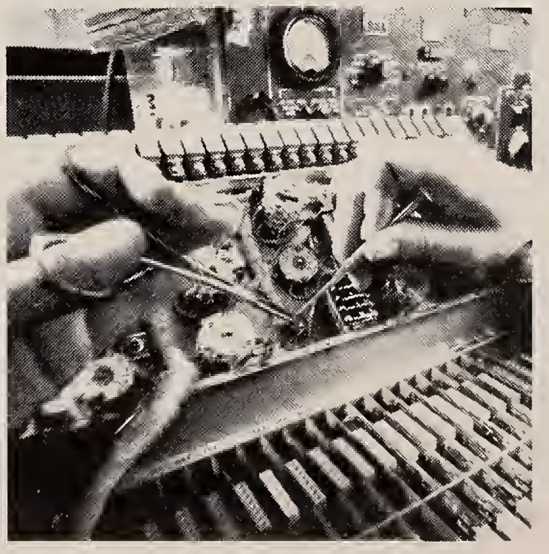
Be quick. Act fast. Join now. We have good jobs. And a way for you to go after them, even though you're still in high school. It's our Delayed Entry Program. It means exactly what it says. A senior can sign up today,

and not begin training until after graduation. You even get enough time to take a great summer vacation if you want.

Go Regular. If you qualify, we can guarantee you training in exciting fields like aviation technology, aircraft maintenance/ordnance, mechanical/electrical, motor transport, radio communications, and more.

Go Reserve. You could get the same kind of exciting training, and then return to hometown service one weekend a month and summer duty two weeks each year. It's a great part-time job with full-time pride.





Whichever way you go, get to us early, before the graduation rush. Before our quotas fill up.

And remember this: It won't be easy. We are the Marines. An elite force. Our ranks are small, and we intend to stay that way. We're not looking for everybody. Just a few good men with ambition, energy, determination. And brains. Men who'll make good Marines.

For more information mail the card or call 800-423-2600, toll free.
